In continuation to our earlier notification regarding Online Convocation, it is for the information of all graduating students that, as soon as the COVID-19 situation restores to normal, the University will arrange physical reception for the graduates to have photo session in academic costume with Vice Chancellor & the faculty with the protocols similar to the physical Convocation. The refreshment shall also be served.

For time being, in order to save the precious time of graduating students, the Mehran University of Engineering & Technology has decided to hold its 24th Convocation 2020 ONLINE on **8th April, 2021 at USPCAS-W's Auditorium** in compliance to the notification regarding COVID-19 issued by Government of Sindh due to recent spike of the cases. From very next day of this online session, the graduates can collect their conferred degrees to proceed for higher studies & to apply for jobs.
